

ABOUT

Groove 54 is a Chicago based tribute to Motown, Disco, Soul, Funk, and R&B from the 60s-90s. They perform at corporate events, private parties, trade shows, gala fundraisers, casinos, festivals, and theaters. The band consists of 6 professional musicians and vocalists with over 40 years experience in the music and entertainment industry. The members have shared stages with several national artists, have toured all over the USA, and also work as studio session musicians. The band believes in bringing the utmost quality and showmanship to any event, with lights and production being incorporated into their show. The vocalists are some the top vocalists in the business and strive to remain as authentic as possible to the original artist. The rhythm section will have you dancing the whole night, and the versatility of the band's members include the ability to play brass and keyboards without a full horn section, saving the client the cost of extra band members. If it has a groove, the band plays it! If you want your event to be a night of dancing, fun, and smiles, Groove 54 is the perfect band for you. Come get your groove on!
